Cookies Policy

Unmatched Coaching Ltd | Last updated: 19 October 2026

1. About this policy

This policy explains cookies and similar technologies used in connection with www.unmatchedcoaching.com, operated by Unmatched Coaching Ltd. Please read it alongside our Privacy Notice for information about personal data, your rights and how to contact us.

2. What cookies do

Cookies are small files stored on your computer, phone or other device when you visit a website. Similar technologies can also store or access information on your device. They can support security, remember choices and help website features work. Session cookies last for a browsing session; persistent cookies remain until they expire or you delete them.

3. Essential and optional cookies

Our website is hosted by Wix. Essential technologies support functions such as security, network delivery, sessions and remembering cookie preferences. Technologies that are strictly necessary to provide a service you request do not require optional cookie consent.

Optional categories can include functional cookies that remember additional preferences, analytics cookies that measure use, and marketing cookies used to measure advertising or personalise it. These describe different purposes; they do not mean every category is active on every page. Where consent is required, our policy is to obtain it before using the technology.

4. Making your choice

The website cookie banner offers Accept, Decline All and Settings. Use Settings to review the available categories and choose your preferences, or Decline All to decline optional cookies. Essential cookies remain available for the website to function. Choosing to decline optional cookies does not prevent you from reading our public information.

5. Changing preferences and browser controls

Use the cookie banner Settings when it is displayed to change your choices. You can also use your browser settings to review, block or delete cookies and other website data. Deleting website data may remove saved preferences and sign you out; blocking essential cookies may affect booking, account or other requested functions. Browser controls apply to that browser and device, so manage other browsers and devices separately.

If you need help changing a choice or withdrawing consent, contact contact@unmatchedcoaching.com. Withdrawing consent does not affect processing already carried out lawfully before withdrawal.

6. Connected and external services

Booking, account and payment features may involve services provided through Wix or another provider. If you follow a link to an external website or payment service, its own cookie information and controls apply. Please review the information shown by that service before making your choices.

7. Updates and contact

We review this policy when our website technologies or practices change. The date above identifies the latest wording. For questions about cookies or personal information, email contact@unmatchedcoaching.com.
